STRENGTHENING COMMUNITIES 125 YEARS

2010-11 Annual Report

Channel Islands YMCA

serving Santa Barbara and Ventura counties since 1887

Sal Cisneros
President and CEO

George Leis
Board Chairman

You are WHY

Channel Islands YMCA is proud to celebrate 125 years of service to our communities in 2012. And we're even prouder to have had the community's support all these years.

Every year since our founding in 1887, our Annual Fund Campaign has played a crucial role within the Y, subsidizing membership and program fees for those unable to afford them. The results can be seen across all aspects of the Y's programming; from day care and summer camp for youth to wellness programs for the elderly and those dealing with disease. Every day a member of our community benefits directly from your donation.

Even in these challenging times, the community continued to voice their confidence through generous contributions. This past year the Channel Islands YMCAs provided \$1.25 million dollars in financial assistance empowering over 3,479 children, families and individuals to become more healthy, confident and connected regardless of their ability to pay.

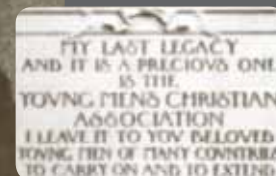

Our endowment through the Heritage Club continues to serve as an inspiration to our Ys; we are encouraged by the thoughtfulness of our donors who choose to assure a strong YMCA for future generations.

We thank you – our staff, volunteers, donors and community. We are honored to partner with you to continue to build stronger, more inclusive communities, provide support for families and promote positive change overall.

YOUTH DEVELOPMENT

Nurturing the potential of every child and every teen

We believe that all kids deserve the opportunity to discover who they are and what they can achieve. Through the Y, youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

OPPORTUNITIES FOR YOUTH

287 campers, in addition to staff and volunteer counselors, participated in resident YMCA Camp Programs at Camp Gaines and Family Camp in the Sequoias.

4,884 teens participated in programs such as: health and fitness, afterschool activities, Youth and Government, and YMCA Teen Leadership.

3,836 children learned to swim, and another 3,089 participated in a variety of sports programs including gymnastics, soccer, t-ball and basketball.

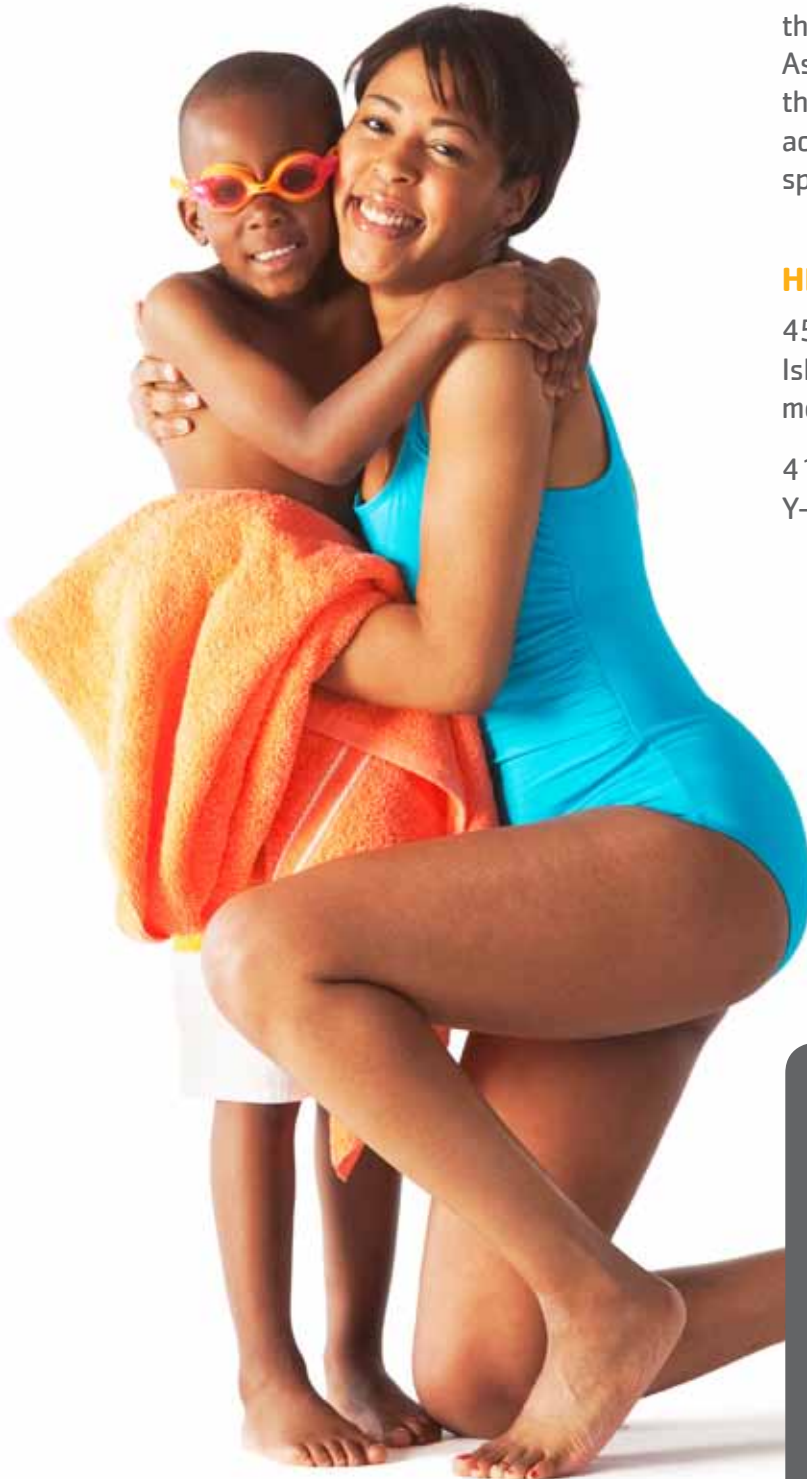

1,626 children attended a fun-filled week of activities at a YMCA Summer Day Camp.

“As a father of young children, being a part of their daily lives can be a challenge. The YMCA youth sports programs allows me to be a real participant in their daily activities in a way that is more than just standing on the sidelines. So many youth athletic clubs prefer to keep the parents at bay but I have never felt that way at the Y. Time with my children is precious and I share the values of the Y to do more than raise a good athlete.”

HEALTHY LIVING

Improving our community's health and well-being

With an emphasis on balance, the Y brings individuals and families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for the spirit, mind and body.

HEALTHY COMMUNITIES

45,269 individuals participated in Channel Islands YMCA programs, including 38,437 facility members and 6,832 community members.

418 families participate in programs like Y-Guides, Y-Maidens, Trail Blazers, and Adventure Guides.

"I had a tumor removed from my spinal cord. The only way to deal with the abnormal nerve impulses is to exercise. I was unable to endure any exercise programs prescribed. However, when I was granted the opportunity to use the pool, I found my stamina has increased tremendously. Due to a radical change in my nutrition and training assistance from Y staff, I am now able to walk without a cane for the first time in 10 years. I am exceedingly grateful."

Blain, Stuart C. Gildred Family YMCA

SOCIAL RESPONSIBILITY

Giving back and providing support to our neighbors

At the Y, we foster the care and respect all people need and deserve. We develop skills and encourage volunteerism through value-based youth programs. We welcome and connect diverse demographic populations through membership and services. We help prevent chronic disease and build healthier communities through collaborations. Every day, volunteers, donors, leaders and partners are empowering people to be healthy, confident, and secure.

CONNECTING NEIGHBORS

3,058 donors contributed to the 2010/2011 Campaign for Youth and Families, raising \$755,826.41

\$1,251,659.81 was provided in financial assistance to 3,479 low-income families and individuals for membership or programs such as child care, camp, sports, and after-school programs.

28,264 adults and seniors participated in a wide variety of programs including: nutrition workshops, recreational and fitness swimming, strength and cardiovascular training, aerobics, kickboxing, yoga, basketball, racquetball, volleyball, and tennis.

“I have been given an extraordinary opportunity to serve others in an environment founded in the teachings of Jesus Christ. I have seen the wonderful impact the Y has had on those who need financial help. I’ve been the one to interview families in crisis and to let them know the Y is here to help support them financially, emotionally or spiritually.”

Good Stewardship

The YMCA is committed to the highest ethical standards of a public charity. The organization's transparency can be viewed through the Form 990 posted on ciymca.org. The YMCA is governed by and accountable to an independent board of directors of community leaders and volunteers.

Volunteer Leadership

Our Volunteers are made up of people of all faiths and abilities, all working side-by-side to ensure that everyone, regardless of gender, income or background, has the opportunity to live life to its fullest. We value caring, honesty, respect and responsibility, and everything we do stems from this. Together, we use our knowledge to develop stronger, more inclusive communities, provide support for people and families, and promote positive change overall.

HONORING OUR VOLUNTEERS

2011 Service awards

The Golden Triangle of Distinguished Service Awards

recognizes volunteers with the highest honor for outstanding service. Through their efforts, the Channel Islands YMCA has grown to be recognized as one of the oldest and largest youth-serving organizations in Santa Barbara and Ventura counties, touching the lives of over 45,000 boys, girls and adults each year.

We honor these volunteer leaders who have demonstrated consistent commitment, dedication, and loyalty to the YMCA and who have given the YMCA an important place among the major interests in their lives.

David Edsall, board chair of Camarillo Family YMCA, volunteer, annual campaign major gifts chair and leadership gifts chair

Tom Heter, financial development committee chair and major gifts campaigner for Lompoc Family YMCA

Gary Gray, board chair and chairman's round table campaigner for Santa Barbara Family YMCA

James Cassidy, campaign cabinet chair and capital campaigner for Stuart C. Gildred Family YMCA

Ric Ruffinelli, board chair, campaign chair, membership committee chair, marketing committee chair and a member of the finance committee for Ventura Family YMCA

Vincent Vanhecke, organizing chef for Reaching for Stars, an annual fund raiser for Youth and Family Services

LEADING BY EXAMPLE

2011 Program awards

The Program Excellence Award recognizes and encourages innovations in programming or program operations, which result in a significant improvement in the Y's ability to achieve its mission.

Lynn Karlson, executive director of Youth and Family Services YMCA, for excellence in the program, My Home.

Amber Stevens, aquatics director at Ventura Family YMCA for excellence in the program, Operation Splash.

MY HOME AT ARTISAN COURT provides a place where former foster youth ages 18-21 can find a home and build a path to independence. This supportive transitional housing program is the result of a collaboration among Youth and Family Services YMCA, the Housing Authority of the City of Santa Barbara and County Child Welfare Services.

Research tells us that 65% of young people leaving foster care don't have a place to live and 40% will be on public assistance or incarcerated within four years. At My Home, young people who were facing homelessness are not simply housed, they receive the support they need to mature into self-sufficient adults. Our on-site staff and volunteers provide case management, education advocacy and preparation, work readiness training, life skills classes, and counseling.

The support that Youth and Family Services YMCA offers at My Home is funded largely through

generous contributions from local foundations and individuals. In addition, many local organizations including the FoodBank, Assistance League, The Women's Fund, Santa Barbara City College and Social Venture Partners are providing the resources needed to help our young residents beat the odds and become something great.

OPERATION SPLASH is a community outreach program that provides free swim lessons to children who are homeless or in transitional living shelters. Funded by our local rotary, we are starting the second year of making a positive impact on these children's lives.

Our Y swim instructors not only promote swimming and safety skills but character development as well. To date, we have served over 350 children ages ranging six months to 16 years.

We are very apprecitive of donations from local businesses, as well as members, to provide each child with a swim kit that includes a swimsuit, goggles and towel to participate in this program.

Collaborations with local organizations such as the Salvation Army, Project Understanding, The Kingdom Center and Ventura Unified School District have also played a large part in connecting us with the children who need this valuable lifesaving service.
