

IT'S A BRAND NEW DAY AT THE Y

Your Lompoc Family YMCA will remain open while undergoing a major renovation.

Construction is planned to begin in December with completion in March and will feature:

- Expanded and updated wellness center
- Newly improved group exercise center
- New youth development center
- New social center
- New cycling studio

The new state-of-the-art facility will help the Y meet the community's growing need for a place for youth development, healthy living and social responsibility for all.
