Fall 2008

Dear Parents,

Welcome to the 2008 - 2009 After the Bell Program at the **Ventura Family YMCA**. Quality childcare is so important in today's society and we are pleased to have been chosen as the provider for your family. Safety is our number 1 priority and we pride ourselves in providing a safe learning environment for your child to grow and develop into a vital part of the community.

In our program, your child will have the opportunity to make new friends, learn new skills, participate in recreational activities, and create new memories to last a lifetime. Your child will have an awesome time building self confidence, creating art projects, developing good character, and living a healthy lifestyle.

This Parent Handbook has a lot of important information regarding our program. Please take time to read this entire handbook and review significant information with your child. If you have any questions regarding the information in this handbook please contact the Site Director at your location.

With your continued support we can continue to build strong kids, strong families, and a strong community.

Trustworthiness: *Being honest, dependable and loyal*

Citizenship: *Respecting authority, obeying rules, protecting the environment*

Respect: *Living the golden rule, showing courtesy and manners*

Caring: *Being kind, compassionate and understating, showing love and charity to others*

Fairness: *Playing by the rules, treating others fair and equal*

Responsibility: *Being accountable, doing your best*

A photocopy of the charge card to be debited must be included. To cancel EFT or credit card charge a thirty-day written notice is required prior to your last withdrawal date. A personal check or money order in the amount of the total annual fee may be submitted at time of registration, if you choose.

Staff

The After the Bell program operates under direct supervision of the Program Director whose office is located at the main YMCA facility. If a child becomes ill while in our care, a parent will be contacted and asked to pick the child up within 30-40 minutes. Ill children will be isolated, until a parent arrives. If the parent cannot be reached, the staff will phone the emergency contact person(s) listed on the child's Emergency Form. Children exhibiting any of the above symptoms must remain out of the program until symptoms are gone. Sick days are built into the fee structure; therefore, no credit is given for absences due to illness.

Medications

A Medication Authorization form must be completed and signed by a parent or guardian in order for any medication to be administered. Medication (including inhalers) needing to be administered must be brought directly to staff in its original, labeled prescription container. The label must clearly identify the child's name, doctor, date, prescription name and dosage. Children are not allowed to administer medications (even aspirin or cough drops) themselves. All unclaimed medication will be disposed of after five consecutive days of nonuse.

Emergency Procedures

Staff will contact the child's doctor or call 911 depending upon the urgency of the situation. In case a parent cannot be contacted, staff will notify other emergency contacts. It is the parent's responsibility to have current health information and contact people (that live within 45 minutes) listed on file.

The YMCA is prepared for emergency situation by having posted emergency plans, kits and routine drills. In case of a major emergency please contact the main YMCA for information regarding children. The YMCA will provide a snack to all participants. These snacks are not meals. Typically snacks include granola bars, fresh fruit, yogurt, crackers and cheese. An occasional dessert may be served as a special treat or celebration. The YMCA will do its best to provide children with a variety of snacks.
