Dolphin Newsletter

Welcome to the summer season of the Ventura YMCA Dolphins swim team. It is great to see so many new swimmers as well as returning swimmers. The early group is full, but there are still a few spots in the 4:00 team.

Practice Reminder

Swimmers should arrive no later than 3:10 pm for the early group (Novice and Int I) and no later than 4:00 pm for the late group (Juniors and Int II).

Swimmers should wear shoes that are appropriate for running and should have their swimsuits on underneath their clothing.

All swimmers must swim during their regularly scheduled time. Swimmers who are in the later group will not be allowed to swim in the early group and vice versa.

Team Captains

Team captains will be elected on Thursday, May 22, 2008. Any swimmer who wishes to run for captain will be required to give a speech explaining why they would make a good captain and the swimmers will vote. There will be one captain from each group (Junior, Int I, Int II, and Novice).

Dip 'N Dash Fundraiser

This season's fundraiser is an Aquathon (swim-run) and will be held on Sunday, July 1, 2008 at 8:00 am. All swimmers are encouraged to participate. There will be a prize for the swimmer who gets the most sign ups for the Aquathon. Registration forms are attached and should be turned in no later than Friday. If you are unable to participate in the event, a donation of \$20 is requested. We are hoping to raise enough money for a new swim meet electronic starter.

If you have not already received a flyer for this event, or you would like more flyers to pass out, see one of the coaches.

Practice Meet

There will be a practice swim meet for all groups at the Ventura YMCA on Friday, May 23, 2008 from 3:30 to 5:00 pm.
