Channel Islands YMCA 24 Hour Access Addendum to YMCA Membership Agreement

24 Hour Fitness Access Guidelines

- All YMCA General Code of Conduct rules apply during 24 Hour Access.
- Failure to follow the YMCA Code of Conduct or 24 Hour Access Guidelines can result in termination.
- Only cardio and strength equipment amenities are available during 24 Hour Access.
- Use of the facility outside of staffed hours of operation is for Channel Islands YMCA members only. Members must be at least 18 years of age, have purchased 24 Hour Access Addendum, have a current Liability Waiver on file, have a clear photo on file, and are current on their membership dues to have access.
- Additional persons, including family members cannot use your 24 Hour Access, even if you are present. Camera recordings will be reviewed on a daily basis and anyone caught bringing guests in after regular business hours will have their YMCA membership terminated.
- The purpose of 24 Hour Access is to support the physical fitness of members. As a result, loitering is not permitted and a 2 hour maximum is allowed for use.
- Entry and exit from the YMCA during 24 Hour Access is through the main entrance using your membership card. Entry and exit must happen one person at a time, do not hold the door open for anyone. Ensure the door fully closes before you scan and open it.
- For safety no bags, purses or bulky items (i.e. oversized coats) are allowed.
- The YMCA has 24 hour video recording for security purposes. It will be reviewed on a daily basis to address any security concerns. This does not mean that staffing assistance for an after-hours emergency will be available.
- Emergency Alert monitors are available for use and have a direct connection to 911. Misuse or theft of monitors will result in termination. In the event of an emergency, you can also dial 911 from the phone at the front desk.
- A YMCA emergency number will be listed at the front desk. This number should only be used in a real emergency that requires an immediate response (i.e. plumbing leak).
- If there is a loss of power to the building or another on-site emergency occurs, please immediately exit. If the Y loses power after normal operating hours, access will not be available.
- The YMCA reserves the right to close 24 Hour Access as the situation warrants.

24 Hour Access Agreements by Member

I have purchased an add-on for 24 Hour Access, which is an Addendum to the Membership Agreement, which will allow me access to the YMCA outside of staffed hours of operation. I understand that I will be charged per month as part of my continuous membership plan in addition to my regular monthly membership dues to use the Y 24-hours per day and that I must give the YMCA a 30-day written notice to stop my monthly draft.

I understand that the YMCA has a ZERO TOLERANCE POLICY on allowing guests use of the building or not entering one person at a time. I understand that my 24-hour access pass is exclusive to me and that I may not give anyone else access to use it. I understand that I am

not allowed to bring any guest or member without 24-hour access with me and that doing so will result in the immediate cancellation of my membership. I understand that the purpose of access is for physical fitness activities and that a maximum use time of 2 hours is set.

I am aware that there will be no supervision or assistance when using these facilities outside of the YMCA's staffed hours of operation. I am also aware that if I am injured, become unconscious, or have another emergency, there will likely be no one to respond to your emergency and this facility has no duty to provide assistance to me. Even though this facility is equipped with surveillance cameras, and if it is likely that I require immediate assistance, none will be provided.

I understand that physical exercise can be strenuous and subject to risk of serious injury. The Channel Islands YMCA urges you to obtain a physical examination from a doctor before using any exercise equipment or participating in any exercise activity. I agree that if I engage in any physical exercise or activity, or use any YMCA amenity on the premises, I do so entirely at my own risk. I agree that I am voluntarily participating in the use of this facility and assume all risks of injury, illness, or death.

I understand that the privilege of 24 Hour Access may be revoked at any time. Violators of the guidelines, policies, and procedures for 24 Hour Access or the YMCA Code Of Conducts are subject to permanent membership termination, and/or prosecution if deemed appropriate.

I acknowledge that I have carefully read this 24 Hour Access Addendum and fully understand this document. All terms and conditions of the Channel Islands YMCA Membership Agreement including the Waiver & Release of Liability remain in effect and are incorporated into this Addendum herein.
